Union Credit Bank Sponsors Teens Team-up Against Cancer Walk-A-Thon Benefiting The Children’s Cancer Caring Center

MIAMI, Fla., April 6, 2007 – Union Credit Bank today announced it was a corporate sponsor for Team-up Against Cancer (TTAC), a walk-a-thon on March 31 that benefited The Children’s Cancer Caring Center.

“We chose to sponsor Team-up Against Cancer because of the importance of supporting this group of young men and women that are working to raise awareness and funds to aid those who are less fortunate in their battle against cancer,” said Fernando Capablanca, president and CEO with Union Credit Bank. “This is a great opportunity for us to align ourselves with a group that shares our common goal of making a difference and commitment to giving back to the community.”

The Children’s Cancer Caring Center is the only free treatment center for children with cancer in the Southeastern United States. Over the past 40 years, The Children’s Cancer Caring Center has helped thousands of young cancer victims. The all-volunteer registered charity proudly boasts that 100 percent of funds raised go directly to benefit the children and their families.

About Union Credit Bank

About Teens Team-up Against Cancer

Teens Team-up Against Cancer (TTAC) was originally founded in March 2005 by seven teenagers: Sofia Escasena, Luis Martinez, Kristin McAlpin, Hillary Miller, Nino Rishmague, Sabrina Rishmague and Bryce Zimmer. Their mission was to bring awareness to the community of the various needs relating to cancer issues.
